

Discover Jersey Arts: Membership

new program launching December 1, 2011

As we transition to our new membership program, launching this December, we are currently issuing "temporary" membership cards to all new registrations. Both these temporary cards and our original Jersey Arts ticket cards are now circulating in our membership.

If your organization is currently honoring any discounts to Jersey Arts Members, please accept both cards pictures below, our original Jersey Arts Ticket card, and our Temporary Membership Card.

Please note that all original Jersey Arts Ticket cards and Temporary Membership cards **will expire at the end of this calendar year, on 12/31/11.*
